

Name of the applicant: New Horizon College of Engineering, Prof. Thanu Deepu George,
Dr. Sonia Maria D'Souza, Samarth Govardhan Naidu S R, C Sharath Chandra

Top view

The novelty resides in the internal base layout of the “**AI-PRO-HELMET**”, including the interior padding structure, embedded IR sleep-detection sensor alignment, and internal mounting of detachable components as illustrated.

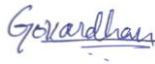

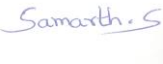

No claim is made by virtue of this registration in respect of any mechanical or other action of any mechanism whatsoever or in respect of any mode or principle of construction of the article.

No claim is made by virtue of this registration to any right to the exclusive use of colour or colour combination appearing in the design of the article.

No claim is made by virtue of this registration to extraneous matters like shadow, which are forming integral part of the design.

Dated this 24th of November 2025

Signature of the Applicant(s):
